

## Biography

### Lee Larson

President,  
Physician Services

*"Anodyne differentiates itself from other billing companies by providing a high-touch service delivery model and leveraging state-of-the-art technology. Our experience, expertise, and powerful tools allow us to help physician practices achieve their financial goals."*

### [ Responsibilities ]

As President of Physician Services and co-founder of Anodyne Health, Lee Larson is responsible for all aspects of the company's Billing division. Lee leads the Billing team with a strategic eye towards continual process improvement and a passion for great service. His day-to-day responsibilities include management of internal operations, the account management team, and business development.

### [ Experience ]

Lee has spent his entire professional career in the healthcare arena, with the last eighteen years spent managing physician practices and overseeing billing operations. Prior to joining Anodyne Health, Lee served as Senior Vice President of Operations at Per Se Technologies, the nation's largest outsourced medical billing provider. With management responsibility for 500 employees and \$750MM in physician payments, Lee oversaw billing management for several of Per Se's largest and most prestigious academic and private practice physician groups. While at Per Se, Lee also had far ranging responsibilities at the corporate level, acting as the Compliance Liaison for the Northeast and serving as Chair for the company's multi-million dollar process improvement initiative. Lee also served in numerous capacities during the company's merger and acquisition phase with a focus on new account start-ups and client assimilation.

### [ Education ]

Lee received his Bachelor of Arts degree from Franklin and Marshall College in Lancaster, Pennsylvania.
